

## STATEMENT OF WITNESS

Date: 26 April 1996

Place: Farmington, NM

I Charles E. Clouthier, hereby state that James McAndrew, was identified as a Captain, USAFR on this date at my place of employment do hereby, voluntarily and of my own free will, make the following statement. This was done without having been subjected to any coercion, unlawful influence or unlawful inducement.

I was on active duty in the US Air Force and stationed at Walker AFB, Roswell, NM, from February 1955 until October 1956. During that time I was a pharmacist assigned to the base hospital. Following my tour of duty with the Air Force, I returned to my hometown, Farmington, NM, where I became an employee and eventually a co-owner of Farmington Drug.

With the exception of the two years in the US Air Force, I have been a resident of Farmington, NM since 1934. It is my recollection that Dr Frank B. Nordstrom was the first pediatrician to practice in the Farmington area and he remained the only pediatrician in Farmington until approximately 1970. I base these recollections on extensive professional and personal contacts with physicians in the Farmington area and as a father of two children who were patients of Dr Nordstrom's.

Also based on nearly 40 years of contact with physicians in the Farmington area, I believe that Dr Nordstrom is the only physician who served a tour of duty at Walker AFB. During the 1960s, I became aware that Dr Nordstrom had also served at the Walker AFB hospital. At various times in the ensuing years, Dr Nordstrom and I reminisced about our service at Walker AFB. During these conversations Dr Nordstrom never mentioned any activities during his tour of duty I considered unusual or that might explain reports of bodies or aliens. During the time I was stationed at Walker AFB, I did not witness, nor did I hear rumors, of anything that involved flying saucers, aliens, or anything else of an extraterrestrial nature.

I am not part of a conspiracy to withhold information from either the US government or the American public. There is no classified information that I am withholding related to this inquiry, and I have not been threatened by US government persons concerning not talking about this matter.
