Dear [redacted]

Your letter of August 12th has been referred to this office.

Before we can adequately evaluate your sighting we will need more information. In addition to the date which you have furnished, we need the following: The time in Eastern Daylight or Greenwich Mean Time; your location when you made the sighting; the approximate altitude of the object above the horizon; the azimuth of the object from your position (compass direction); and a description of the object to include color, brightness, shape and movement.

Your interest is appreciated.

Sincerely,

WILLIAM T. COLEMAN, JR.
