10. BRIEF SUMMARY OF SIGHTING

1. One report of 8, another rpt of 2 round, white objs, size of baseball, giving off bright light.
2. 2 round white objs size of baseball. Objs seen moving up through clouds & were in sight 5 mins.
3. 8 light-looking objects darting in & out of clouds at 7,000 ft.
4. Round obj, size offbasketball, bright orange light moving fm E to W upward.

11. COMMENTS

Objects moving in easterly direction & should they be seen closer to Terre Haute, a fighter will be sent aloft to investigate. ATIC was to be informed if anything further developed. No further information received. Four garbled rpts of apparantly same sighting. Either 1,2 or 8 objs moving E, W or up. No attempt at analysis.

TO	FROM	DATE	COMMENT NO. 1

ATTACHMENT 1 to D.O. RPT 20 NOV

2200 hrs. - Received call from Capt Hannah (51107) Patterson Flight Service stating he had received call from Indianapolis ARTC who had received call from Terra Haute Filter center who had been called by the GOC at Robinson, Ill to report the following: (ALONG ROUND ABOUT WAY TO RPT. A. UFO)

a sighting of 8 light-like objects in the sky darting in and out of clouds at 7,000 feet. Objects moving in easterly direction and should they be seen closer to Terra Haute the

National Guard commander has authorized that a fighter be sent aloft to investigate. None of the Radar in the area is picking up the Objects. Lighting was approx 2140 Eastern. Capt Hannah will notify ATIC if any further word is received.

Phot. astro body but Insuff. Data to evaluate

This officer should be highly reprimanded. A man reports looking at an object for 1½ hrs — yet he does not question the man as to the direction, elevation, azimuth or bearing of the object. Merely saying an unfounded incomplete report is, BTO REPORTING
