" UFO - Woman reported sighting by husband. Declined to give name and terminated call. 1910 hrs. Sighted earlier in the day.

[redacted] Manhattan Place, L. A., age 15; student, phone nr: [redacted] a. Appeared as star moving rapidly NNE. 1930 hrs, 1 Oct. Observed for '5 minutes.' Inspected thru binoculars. Path not straight line - appeared to travel in an arc. Apparently extreme altitude. 'Looked like star moving very fast - twinkling. Moving faster than anything I ever saw.' This did not appear to be a prank on the boy's part."
