Dear Sir:

I have read your information on UFOs in a True magazine. It was very interesting too. I gave a report on UFOs in school and I'm very interested in them. I'm hoping you will send me some information. I'm not sure if this is the address to send this to, but if it isn't could you tell me where?

About six weeks ago thirty people and four police saw a UFO in the city. They described it as being like a basketball with bright lights. (round-like) This happened about two miles from my house.

I could hardly believe
it! Then my husband and
I saw a white object in the
sky. Round-white, bright, light-
ed overall. It wasn't an
airplane, we were sure of that.
It came to me, I told
my dad to look at it.
We not passed some beer
then when we were in the car,
it had vanished!
Please send me the information
on UFO's if you can. Thank-you
for your time.

Sincerely,
