Dear Mr. [redacted]

Reference your recent unidentified observation. The information in your letter was not sufficient for evaluation. Request you complete the attached FTD Form 164 and return it in the envelope provided.

We wish to thank you for reporting your observation to the Air Force.

Sincerely,

HECTOR QUINTANILLA, Jr, Major, USAF
Chief, Project Blue Book

CORNER
NW

then

First sight, night 9:20 PM.
Reached treetops 9:50

The object was very bright, as bright as the stars of Cassiopeia. It became dimmer as it went toward the northern horizon, but was still visible when it went below treetops. There was no sound. It was the size of the stars of Cassiopeia when seen with the unaided eye.
