| <p>1. This report is forwarded under Air Force Regulation 200-2, 12 August 1954.</p> <p>2. On 8 July 1955 at approximately 2240 hours, Captain [REDACTED] M.D., [REDACTED] 305th Tactical Hospital, Mac Dill Air Force Base, Tampa, Fla. reported he had seen an unidentified flying object. The officer was traveling south on Bayshore Drive about four miles from Mac Dill Air Force Base, when he noticed an oval shape, luminous object in the sky moving south towards the moon. At 2250 he reported sighting a stationary, diamond shaped object in a northern position in relationship to the moon. Visual observation was the only method used in tracking these objects.</p> <p>3. The Mac Dill Control Tower along with the 660th AC&amp;W Squadron reported that there was no unusual activity in the area during the time the unidentified objects were reported.</p> |                                                    |               |

| <p>1. This report is forwarded under Air Force Regulation 200-2, 12 August 1954.</p> <p>2. On 8 July 1955 at approximately 2240 hours, Captain [REDACTED] M.D., [REDACTED] 305th Tactical Hospital, Mac Dill Air Force Base, Tampa, Fla. reported he had seen an unidentified flying object. The officer was traveling south on Bayshore Drive about four miles from Mac Dill Air Force Base, when he noticed an oval shape, luminous object in the sky moving south towards the moon. At 2250 he reported sighting a stationary, diamond shaped object in a northern position in relationship to the moon. Visual observation was the only method used in tracking these objects.</p> <p>3. The Mac Dill Control Tower along with the 660th AC&amp;W Squadron reported that there was no unusual activity in the area during the time the unidentified objects were reported.</p> |                                                           |               |
