and [REDACTED]

West Palm Beach, Florida

Dear Mrs. [REDACTED] and Miss [REDACTED]

This organization is responsible for analysis and preliminary investigation of unidentified flying object sightings within the boundaries of the United States. We appreciate your cooperation in reporting your sightings; however, additional information is needed for analysis of these sightings.

The three (3) inclosed ATIC Forms No. 164 (U.S. Air Force Technical Information Sheet) are forwarded for your convenience in supplying this squadron with the needed information.

In filling out these forms, we would appreciate your treating the seven objects you witnessed as three separate sightings; that is two sightings of three objects each, and one sighting of the single object.

Again our thanks for your cooperation.

Sincerely,

2 Incls:

1. ATIC Form 164

2. Rtn Envelope

Dear Mrs. [REDACTED] and Miss [REDACTED]

Sometime ago, this organization sent you an ATIC Form 164
(U. S. Air Force Technical Information Sheet).

As of this date, the completed form has not been received at
this organization.

The information asked for in this form is essential to com-
pleting our evaluation of your sighting and to our statistical
compilation of Unidentified Flying Object sightings within the
boundaries of the United States.

If you have already found out what caused your sighting,
please complete the ATIC Form and send it to us, so that we shall
be able to close our file on your sighting.

If the form has been lost or misplaced, please write to us,
and we will be happy to send you another form. Again our thanks
for your cooperation.

Sincerely,

CHARLES W. GODSEY
