- x pos aircraft

Summary:

One (1) round object, the size of an orange at arm's length. Color was orange. Noticed by observer because of its "bright glow in sky." Seen visually and through binoculars for period of two (2) minutes. Disappeared by fading into horizon.

Comments:

~~Details of sighting indicate~~

Duration of sighting and description in sky (bright glow) indicate the possibility of a jet contrail. Evaluation of this headquarters is "possibly aircraft."
