MEMORANDUM FOR RECORD:

1. Long-distance telephone conversation between A/2C Lencer, Flight 1A, 4602d AISS and Lt. Machyowsky at this Headquarters.
2. Lt. Machyowsky stated that this Headquarters desired Flight 1A to conduct a limited investigation of UFOB sighting at Tacoma, Washington on 19/0607Z, Aug 56.
3. A/2C Lencer stated that all other members of Flight 1A were out on a field trip and it would be difficult for him to conduct the investigation.
4. Lt. Machyowsky asked when the other members of Flight 1A would return from the field trip.
5. A/2C Lencer related that they would probably be back in 1 day.
6. Lt. Machyowsky stated in that case A/2C should wait until Flight 1A personell returned before initiating the investigation.
7. Lt. Machyowsky outlined a list of specific identification criteria which he desired to be provided by the investigation.
8. Lt. Machyowsky stated that the investigation could be conducted telephonically or by personal interview. However, in the case of a personal interview no TDY would be authorized.
9. Lt. Machyowsky stated that he desired results of the investigation to be reported by TT Message to this Headquarters as soon as possible.
