Names and Addresses of Witnesses:

Occupation and hobbies: All persons listed above as witnesses are in the military service.

Comments of interrogator relative to intelligence and character of observer:

An interview with officers in the Gunnery Department of the AA & GM Br, TAS, revealed that the observers are reliable and their character are above reproach.

Did observer wear glasses, especially polaroid glasses at time of sighting or was object viewed through canopy, window, or other transparent material: Captain Vaughn was wearing Ray Ban sun glasses.
