Dear Sirs;

One year ago I wrote to the Office of Public Information,
Department of the Air Force, Washington 25, District of Clom-
bia ; requesting an Air Force Questioneer on an Unidentified
Flying Object sighting. Their reply was a report of the Air
Force's PROGRESS in the search for the answer to the enigma

of the U.F.O. . For the past year I have been looking for
someone who might have the Questioneer. Recently I was reward-
ed in my search. The friend of a friend had the Question-

eer, but four of the questions were missing, and I was
not allowed to write on it. I solved this by writing the
answers to the Questioneer on a separate piece of paper.

And this, I decided, should be sent to you at the A.T.I.C.
in Dayton, Ohio.

Yours very sincerely,
~~James H. Brown~~
