10. BRIEF SUMMARY OF SIGHTING

One round object, red, blue, green, and white in color and the size of a baseball at arm's length. Object was first seen at 35° elevation and disappeared at 60° elevation after rising in elevation and moving away from 100° azimuth. Object faded from sight after having been observed visually and through binoculars (8M40 power) for 12 hours.

11. COMMENTS

In order to gain more information concerning this sighting, and because of the number of witnesses (6), ATIC Forms 164 were sent to the sources on 29 Nov 56. Results of analysis of returned forms will be indicated in the Monthly UFOB Summary.

AISOP Form 5 (15 Oct 54)

South Dakota a half-globe shored object, giving off sparks, was photographed by police radio dispatcher was over one of the state highways.

1956, Nov. 26-(South Dakota?)-UFO seen in sky by a man & wife! AF reported a "Blip" on their radar at same time! "First Flying-Saucer Report in MONTHS, "said Frank Blair on NBC's "Today"tv show. (What a whopper!) They never repeated the Report later ... 1956, Nov. 26-South Dakota-Two more UFOs seen, reports ABC-News on Radio! (This may or may-not be the same sighting as above-Ed.) 1956, Nov. 25-Pierre, North Dakota-12:45am-Bright, red UFO photographed by 2 Policemeni Radar at Rapid-City reported to have picked-up object on screen & sent interceptors! Object hovered 50-to-100ft, above ground, a block away. Shaped like 1/2 an egg made no sound. Observed for about 1/2hr. before they left in car. It then seemed to follow their car!! 1956, Nov. 25-Hot Springs, S. Dakota-4:30pm-UFO seen from ground & on Jet's radar. Brilliantly lighted, Object flashed green, red & yellow lights (see Jan, 2 Report). It moved up & down in the sky. A Jet plane made passes at it, says Report! (Moseley)
