10. BRIEF SUMMARY OF SIGHTING

One object round like a saucer only in a vertical position, size of silver dollar, color white. Object was high & traveling at high speed. An a/c was in the area.

11. COMMENTS

Possible error in duration. Children observed object and called parents who also withessed phenomena. Also object sighted overhead and disappeared vertically, yet flight path was given as heading south from Jax to Miami. Indications are that this is probably an a/c sighting.
