Following is an extract from SDO Capt H W Anderson's report of 14 Dec 57 for your information and necessary action:

"2205 Recvd tel call from woman who refused to identify herself reporting an unusual flashing star in the sky to the Southeast. Found same to be Venus; informed woman so and thanked her for call."

STAR
EXTRACT

Not in SE

T J CONNAIR, JR
Major, USAF
Adjutant

Definitely Venus
In fact, hundreds
of calls on
this body,
which was
accepted
perfectly
