10. BRIEF SUMMARY OF SIGHTING

Round silver white object, approximately 5 inches in diameter, straight flight seen to change color to red and explode in a puff of white smoke.

11. COMMENTS

Area was searched by helicopter and the only thing that might account for the sighting was a dead goose recently killed. The red and puff of smoke being accounted for as the bird was shot.

IT APPEARS MOST LIKELY THAT THE GOOSE WAS SHOT BY A POACHER AND WAS OBSERVED BY MRS.
