Gentlemen:

I regret that I am writing this report now, as if omit I should have, two and one-half years ago in September nineteen sixty-two, due to insufficient evidence, but now I am certain of all my data. Here is my report:

Yours truly,

[redacted] and
[redacted]

(Over for report)

1. When did you see the object?

7 DAY September MONTH 1962 YEAR

2 Time of day:- 6 HOUR 30 MINUTES P.M.

3 Time Zone:- Eastern

4 Place:

4 Cornell Ave. Yonkers
NEAREST POSTAL-ADD.

5. How Long the object was observed.

0 HOURS 3 MIN. unknown SEC.

5.1. How certain:

Fairly certain

6 Condition of sky:

Bright Twilight

7 Where was the sun.

Barely above the horizon in the west.

8 What we noticed concerning the stars and moon.

A No stars B No moon

9 Was the object brighter than the background of the sky.

A. Yes

10 If brighter than sky, was it like that of an automobile headlight? - Yes'

C. a block away

11 Did the object:

ans= B- it suddenly sped up and rushed (flew) away.

12 Did it move behind anything?

No'

13 Did it move in front of anything?

No'

14 Did the object appear: A. solid B. Transparent

A- it appeared solid

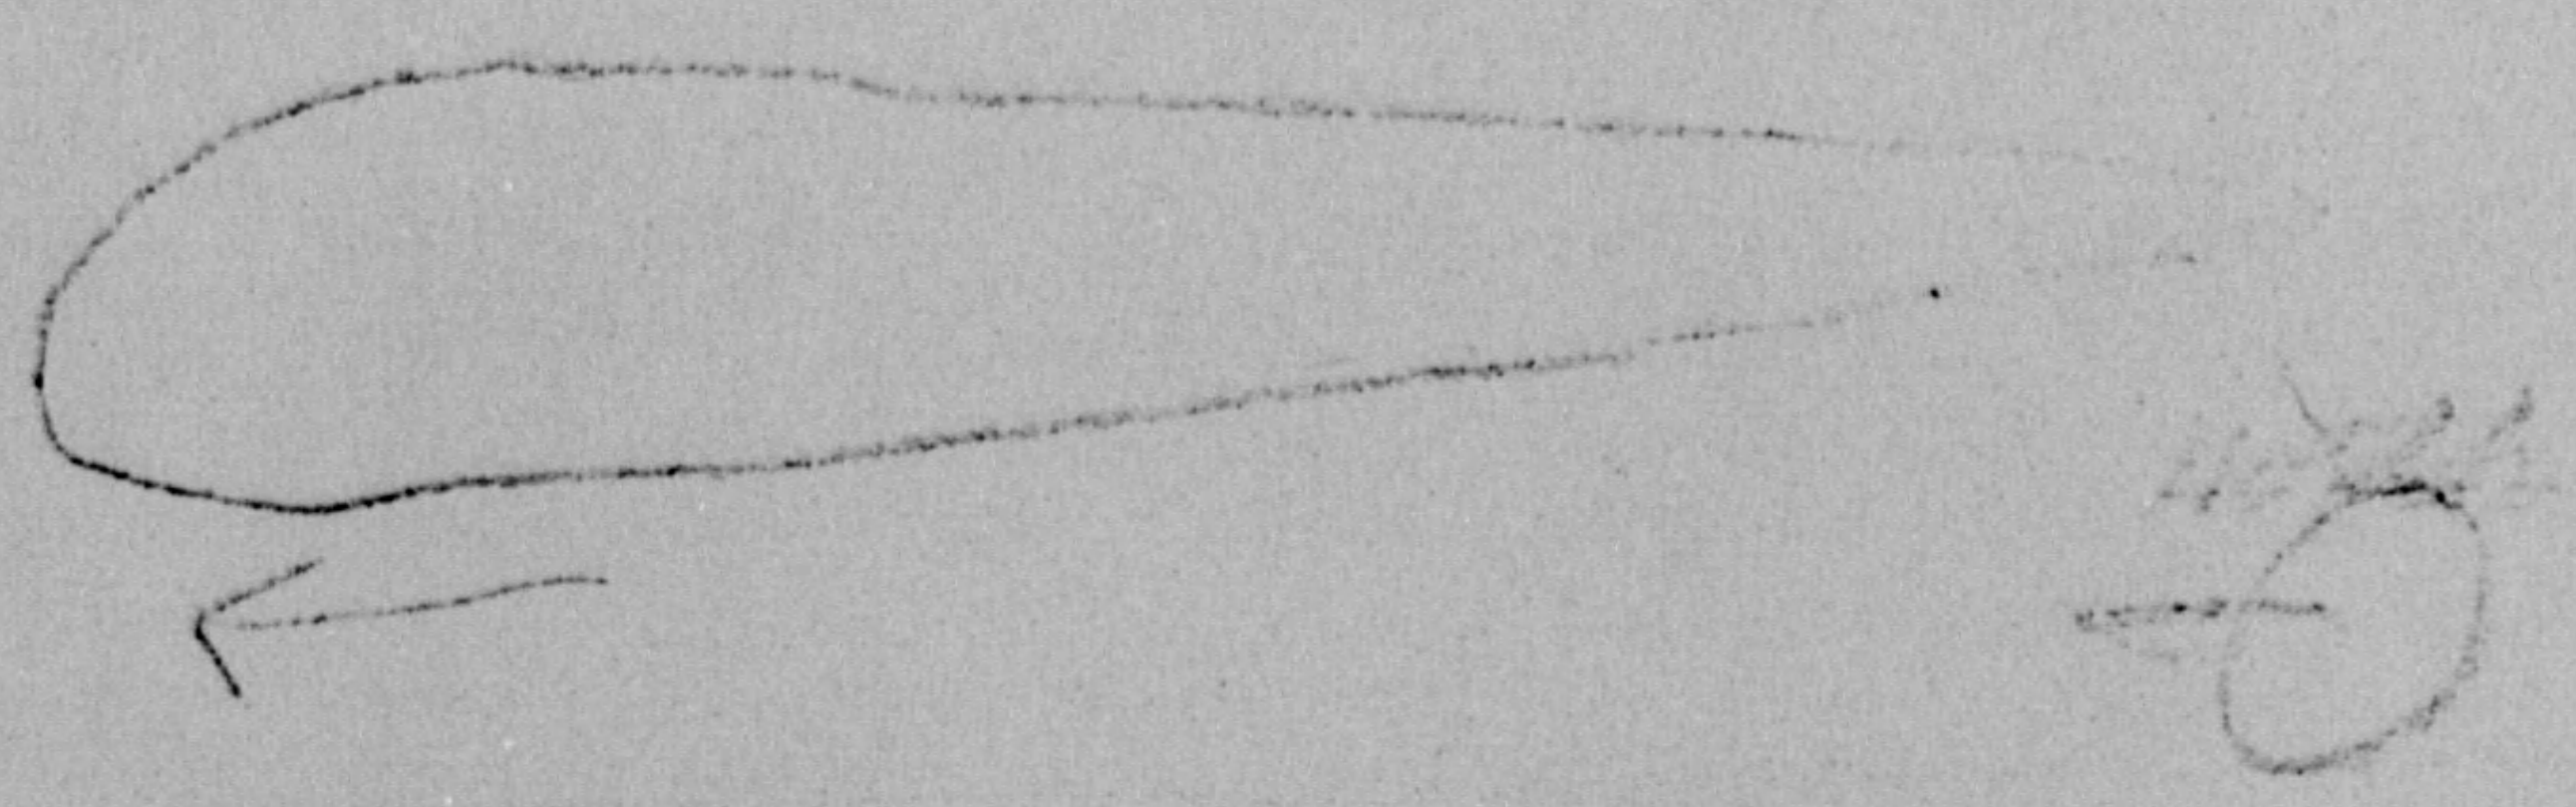
15 Did you observe the object through anything?

No'

16 Tell in a few words the following about the object.

A Sound - None
C Color - Gold

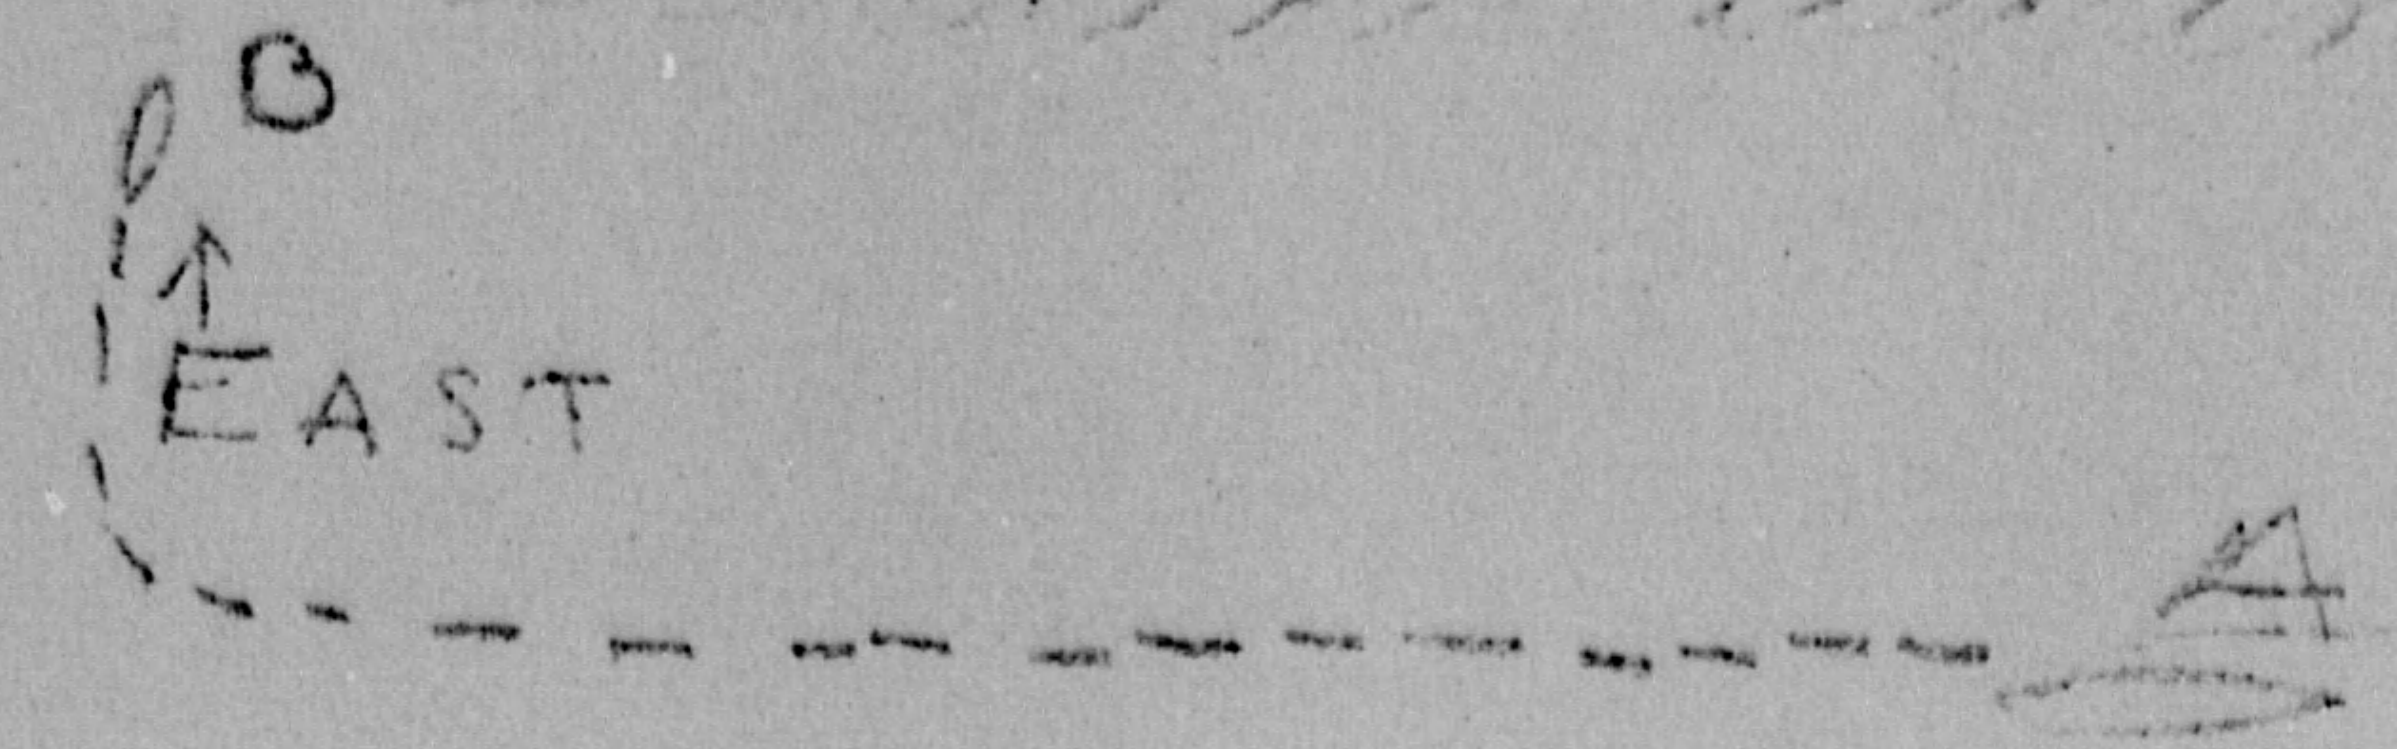
17 Picture (drawing) of object showing direction and motion.



Then when it reached center of Pelton field, Yorkers, it slowed down, made a turn to the east, then speeds off and disappeared over the eastern horizon

18 The edges were:
A Sharply outlined +
C Like a bright star.

20 Draw a picture that will show the motion that the object made. Place an A at the beginning of the path, a B at the end of path, and show any changes in direction during the course.



21 If Possible, try to guess or estimate what the real size of the the object.
35 ft.

22 How large did the object appear.
about the size of a 38 caliber bullet.

22.1 How certain is your answer in question 22?
A – Fairly certain

23 The object disappeared from view by: it went over the eastern horizon.

24 Of what type material would you make it, steel. How large would it be, 3 ft long. And what shape would it be, round shaped. (thicker at front)

25 Where were you.
A. Outdoors

26. Were you: (circle one)
F. Flying over open country
[✓ G.] other – in the middle of Pelton Park.

27 What were you doing at the time you saw the object, and how did you notice it?
Joseph Burns was walking around the field. Matty was flying a kite and then both of us noticed a bright flying object that came into our vision.

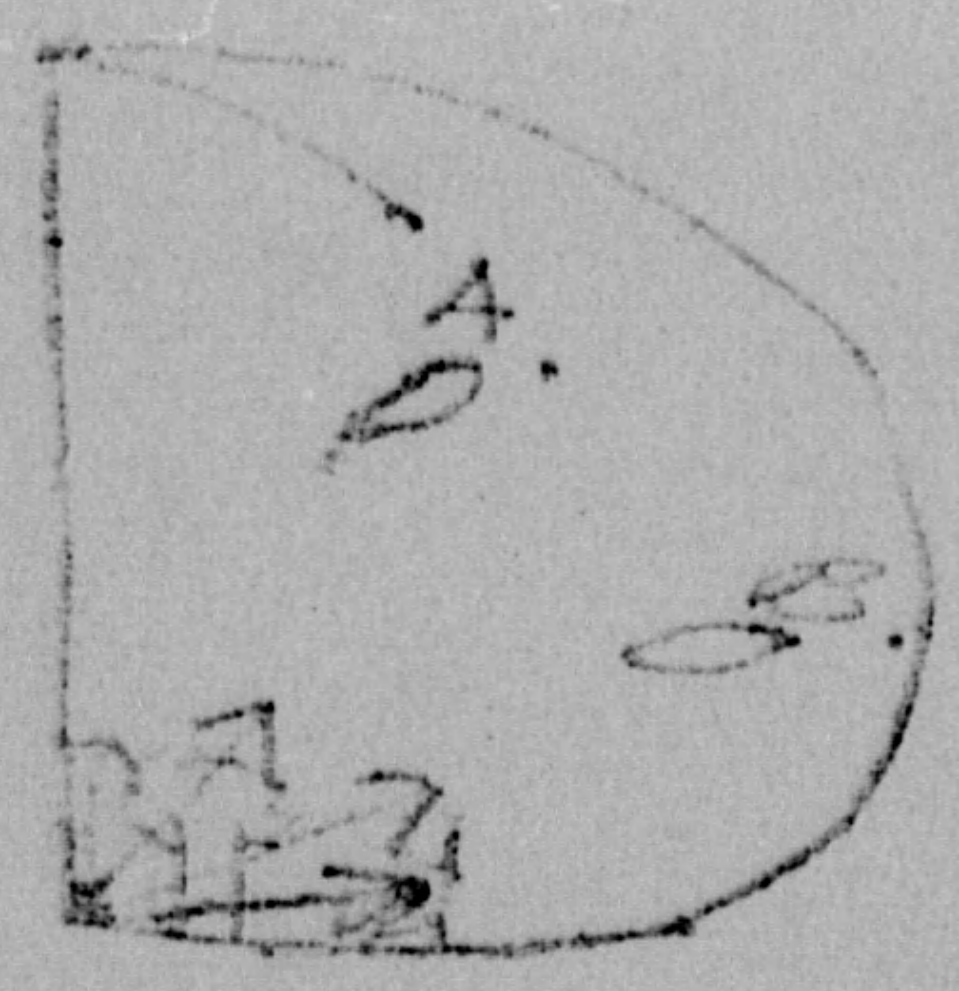
28 ______________________ NOT-MOVING-IN-A-VEHICLE

29 In what direction were you looking when you saw it? – We saw the object while we were looking to the east, but the object was coming from

the south, but its glare caused us to draw our attention to it.

33.2 Place "a" on the curved line to show how high the object was above the horizon, when you first saw it.

2. Place a "b" on the same curved line to show how high the object was (estimate) above the horizon when you last saw it.



34.1 What were the weather conditions:

A few small, thin, cirrus clouds off to the west of the object

34.2. Wind:

Not too strong of a breeze. (slight breeze)

34.3 Weather:

Dry

34.4 Temperature

~~[illegible]~~ omit

Cool

35 When did you report it to some official
We never did.

36 Was anyone with you when you saw the object?
Yes.

36.1 Did they see it to.
Yes

36.2 List their names & addresses.
[redacted]
New, York 10705

37 Was it the first time you saw an object like this.
Yes

38 In your opinion what do you think the object was, and what might have caused it.
We think it was a white space craft. and we don't have any idea what caused it to come here.

39 Do you think you can estimate the speed of the object.

120 M.P.H.

40 Do you think you can estimate how far away from you the object was.

1. Yes 2. 25,000 feet.

41 Please give the following information about yourself.

NAME - [redacted] LAST [redacted] FIRST

[redacted] MIDDLE

ADDRESS - [redacted] ST. YONKERS CITY 5 ZONE
