aug. 3/65

ais Force Washington, D.C. Dear Sins;

Injuly 3, about seven thirty P.M.,

Injuly, my daughters my son all saw this unusual

sight. Rising dawly from southern hougen (probably

along the coastline) a top-shaped, brightly lighted

object, at least twice as large as a plane. I thought we

were withing "early fireworks". My son went to take a

hath, as the object died not seem to move. My daughter

as catched it for another 15 min. and realized it

coas getting highes whighter, scalled my son back

out to see its bribbleance, yellow, reds - and sit get

almost straight share (hat over to the west of me) headed

ywithwest we could plainly see the authing of a jet
plane - directly Rekind the officet, with jet stream

peaced like you to know of what we saw.

(swe)

an agr 28/65 my Cherry Fance Candlewoof Point, new milford, CT, and impelf saw an object going from monthly south.

after checking it aut, my hain is in line of Canollewood.

Point, and we saw object at same time of eve. It was definitely not a falling stat! The most builliant Jany thing I have ever seen. NEW MILFORD, CONN. 06776 nited States air Force
