To Whom It May Concern:

Please send me a form to fill out on a UFO sighting. I never was going to inform an official agency about the sighting that I saw - but after the recent television program on UFO's by the CBS network, and the negative approach in which the handling of the possibly dangerous situation is being handled today - I want to make known to your organization that I am now a member of that astonished group of human beings who have seen an unusual object apparently not of this world, and because of this incident in my life - I am now a firm believer that this Earth of ours is being visited and explored by somebody not associated with our Race on Earth. This is my own personal opinion at this time based on what my eyes and ears told me on that most memorable day of my life. Of course - perhaps the most unusual and "alien" object is a secret project by some group here in this country, or some other nation on Earth today. Whatever the case maybe I will always know - that for at least 10 minutes - I saw a most unusual sight which I will never forget the rest of my natural life.

A reply, or report form - will be appreciated very much.

Sincerely,

[REDACTED]

Dear Sir:

I certainly appreciate your answering my reply. My faith is now re-stored in the goals of the Air Force concerning the UFO problem. I am a true believer only because of my personal experience as related to you on the form I requested your organization to send me.

As I wrote this letter to you the local news station WBSN is reporting one [redacted] New Bedford Mass. telephone number [redacted] as seeing a so-called "Mother" ship 100 feet in diameter. 4 AM in Westport Mass on Route 88. The UFO followed his car, and then landed in front of his car. He stated to the State Police that he watched it for over 15 minutes. The UFO colors were White-Yellow-Blue and Green in that order as it flew away from him.

I did not receive a copy of the brochure on Project Blue Book as mentioned in your letter to me. Please send me a copy. Thank you.

Sincerely,
[redacted]
