D'ate August 20, 1967 To Project I saw a flying sauces over my house. 6800 Oakland It. during a rain storm at around 11:30 in the morning). I he object was going east and about 2250 feet from myself. This object sipped night by me and unfortunately clotid not see the shape nor the socior. I am a very good observes of objects in the sky and this was not " an amplana. It was much too small for an airplane. I saw the object about 4 minutes and only of saw it. (Equal nights for all UFO organizations. ? Please believe to me, this is aboutely true" and not a hoar. I college in February and therefore of am not a dunt person by Sam the Sincerely Yours ang meana. Philadelphia, Pennsylvania
