Subject: UFO Observation, 3 September 67, near Centerville, Ohio

of R R 1 Spring Valley, Ohio 45370 observed an unidentified flying object on the morning of 3 September 1967 at 0200 hours. A bright red glow, solid object, tear drop or pear shape. Observed object for a few seconds or for a minute. "When I first saw it, the object was descending then moved up, then disappeared in the southwest." Looked like a sparkler, came down then went up. The object lit up the pasture and house area. Requested Mrs. to complete a Form 164 to aid in our investigation. Mrs. said her husband also observed the object and that she would like a reply as to what she did observer since she is not a nut. Explained to Mrs. that persons often report unidentified flying objects and that we did not regard her as a nut. Informed her that after we had investigated the information she mailed to us we would inform her of our evaluation.
