TO:

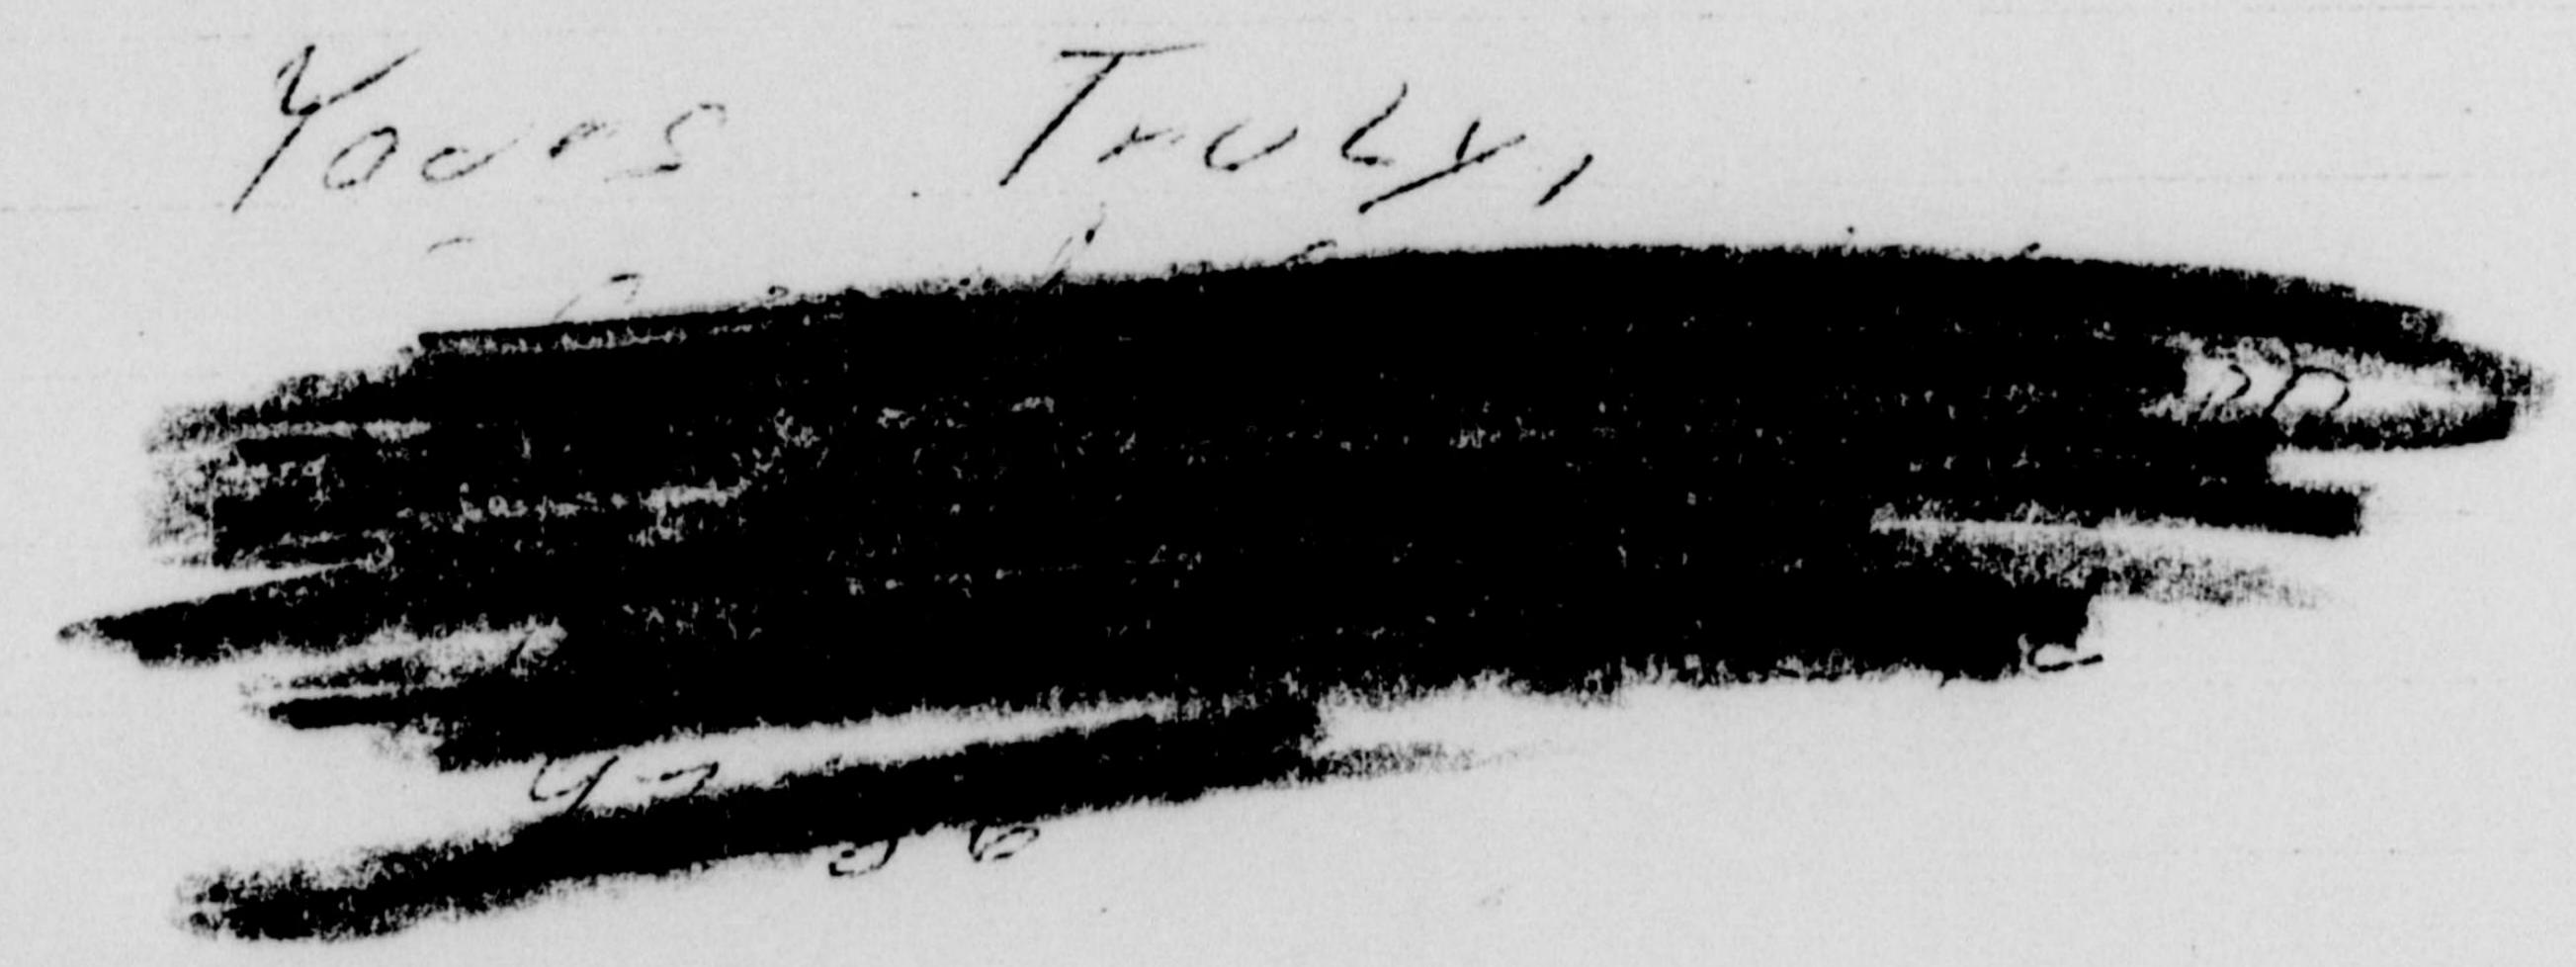

Reference your recent unidentified flying object sighting which you reported to the Air Force. The information which we have received is not sufficient for a scientific investigation. Request you complete the attached AF Form 117 and return it in the self-addressed envelope. Thank you for reporting your observation to the Air Force.

HECTOR QUINTANILLA, Jr, Lt Colonel, USAF Chief, Aerial Phenomena Office Aerospace Technologies Division Production Directorate

1 Atch AF Form 117 w/envelope

I Sama iF o Flying around C-N gir plane 9.6007 10:13 pm. I Pirst Looked up to see Th girplane having a White Ball comeing From The LeFt and Fast and Next Thing I KNew The Thing Looked ixe it was going to Hit The plan on The Left Side But it didato Insted it went Might over The wings and on The Right Side Then moved to the centres of The rings and Thear I cost Them. The own was an grouppawer in Sure Becouse I cooked see The Lights Bell, The olher unoved to swiff and Fast to Be any Thing of ours. Not even aget coold go as Fast on move as the similar 140/
