1545 UPDATE; DoD reported a couple F22s in the area but are unsure whether they are the cause of the issue. Spoke with ZDC and they have had no further reports. Will continue to monitor. 1456 ZDC reporting 5 UFO reports over the Patuxent (PXT) VOR between FL320 and FL350, objects are showing up on TCAS displays of other aircraft in the area. Requested DoD organization on the DEN to check for military activity in the area.
